An Exciting Change is Coming to Your Checks! Introducing, CheckFolio™

You may notice that your next check order looks different when it arrives in your mailbox.

We're excited to bring you **CheckFolio**, an innovative new way to receive, store and use personal checks. With CheckFolio, multiple checkbooks are neatly aligned in a compact folio for convenient use and storage. The result of extensive research and consumer feedback, CheckFolio is designed to help you:

- **Stay organized.** All components are packaged together neatly, ready to place in a drawer, filing cabinet or on a bookshelf so you can easily access them when you need to and store them when you don't.
- **Secure your identity.** CheckFolio arrives in a tamper-evident package and its unique design makes for discreet and flexible storage options — helping to protect the contents and your identity.
- **Protect the environment.** The compact and efficient design uses less material and creates less waste — plus, CheckFolio is recyclable.

We know you'll love CheckFolio as much as we do!
